## **Volatile Free, Inc. ® launches new silicone roof coating; *SEALGUARD* VFI-991 SILICONE.**

Brookfield, WI (**May 15<sup>th</sup>, 2015**) – The leadership of Volatile Free, Inc. has launched a new addition to the *SEALGUARD* line; VFI-991 SILICONE.

*SEALGUARD* VFI-991 SILICONE is UL rated and contains a 70% solids formulation. “One of our goals this year was to offer a more diverse line of silicone and we have done just that,” says VFI® President, Nancy Hochmuth

Volatile Free, Inc. has made many positive improvement this year with the addition of an improved website, new VFI-727 Spray Foam, and energy star certifications for VFI-600 Acrylic Coatings and *SEALGUARD* VFI-990 SILICONE.

Volatile Free, Inc. is celebrating 20 years as a manufacturer of high performance polymers. Since 1995, VFI® has successfully manufactured polyurea and polyurea hybrid products, and has remained strong in the industrial and commercial roof coating industry, while branching into more OEM markets. VFI’s success is due to the strong relationships they have built while maintaining and improving their products.

To learn more about VFI’s new and certified products visit at [www.volatilefree.com](http://www.volatilefree.com). To place an order call (800)-307-9218. Visit Volatile Free, Inc. at the Florida Roofing & Sheet Metal Expo, July 16<sup>th</sup>-18<sup>th</sup> in Orlando, FL. Booth #935
